

Adapter for fiber optic cables and pigtails

Adapter for fiber optic cables and pigtails

OCC's fiber optic pigtail assemblies are designed for reliability and performance. All OCC pigtail assemblies may be ordered pre-terminated in any OCC rack or wall mount cabinet or custom ...

Choose from our selection of fiber-optic adapters, panel-mount fiber optic adapters, cleaners for fiber-optic connectors, and more. Same and Next Day Delivery.

Featuring a unified construction allowing for easy fiber identification and rapid installation, these assemblies are built to exceed all TIA and Telcordia requirements.

The adapter plates and their bundled fiber pigtails provide a superior cable management and installation solution. FIS adapter plates are designed to fit within an "LGX" compatible footprint.

Get low-loss fiber optic adapters/couplers with good repeatability and durability for precisely mating two ends of a fiber optic cable. Multiple connector options available.
