

Delivery time for outdoor server racks in Gabon

Overview

Consumers generally don't expect free shipping in Gabon. Saturday and Sunday are considered non-working days. Because server racks are often the most expensive equipment in a data center, both in terms of the cost of replacement and the cost of lost data in the event of damage or theft, safe delivery of server racks is critical to data center relocation. Over the past year, demand for IP55-IP66-rated outdoor server racks has risen sharply—not because specs improved dramatically, but because more users are deploying edge infrastructure in unconditioned locations without dedicated shelters 1. If you're a typical user, you don't need to overthink. Infome Technologies is a leading international supplier of genuine HPE, Dell, Lenovo, and Xfusion physical servers.
