Distribution box z1250

Distribution box z1250

<p>More durable and robust The outer layer is made of environmentally friendly PVC, which is soft and elastic. It can be stretched without damage, so you can use it with confidence.</p> 	<p>Details, datasheet, quote on part number: Z1250 ... Features, Applications * Complete voltage range to 400 Volts * High peak reverse power dissipation * High reliability * Low leakage current</p>
