

Euro-resistant cable tray supports EU

Euro-resistant cable tray supports EU

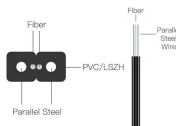

The EU Series Heavy Duty Cable Tray, with its structured design developed for ease of use. Available in custom sizes and various coatings!

Trayco has an extensive range of high-quality cable trays, cable ladders, mesh trays, mounting systems and floorsystems.

These products are designed to carry heavier cable loads compared to the standard perforated cable trays. This product group offers easiness in vertical applications.

Our cable tray systems securely hold and protect cables and come in many models and sizes, solid bottom and ventilated.
