

Fiber Optic Connector Die Casting

Fiber Optic Connector Die Casting

Our reputation as a manufacturer of precision die stamped products, is what brought this customer to us. This project consists of 10 different components, all manufactured to the same tight tolerances, and ...

Our expertise encompasses a wide array of products, including innovative wire drawing dies, advanced wire dies, and specialized optical fiber coating and coloring dies.

Designed for use in fiber optic connectors, optical transceivers, rack-mounted network equipment, and other telecom devices, these custom die-cast housings provide the stable, high-precision foundation ...

Dongguan Tech-Casting Precision Die-Casting Machinery Co., Ltd. is an authoritative die casting manufacturer specializing in zinc alloy die casting and zinc alloy die casting factory.

Zinc Alloy Die Castings Attribute Technical Specifications Material Grades ZAMAK 3 (ZnAl4Cu1), ZAMAK 5 (ZnAl4Cu1Mg), ZA-8, ZA-27 Key Characteristics High impact strength, Superior fluidity, ...

Adapters are available in both, plastic or zinc die-cast housing. The adapters are offered in simplex and duplex configurations. All CONEC Fiber Optic Adapters are supplied with preinstalled dust caps.

The resulting connector has a smooth surface finish and precise dimensions, ensuring a perfect fit when connecting fiber optic cables. Die casting allows for the production of connectors with ...

17-300400 Amphenol CONEC Fiber Optic Connectors APC IP67 Dplx LC Rct Die Cast w/Cap datasheet, inventory, & pricing.

If you are ready to get your product into production with a custom connector contact us by phone or email. We will collaborate with you to review your design needs and discuss what you need to ...
