

## Fiber Optic Coupler 4513-4513

## Fiber Optic Coupler 4513-4513

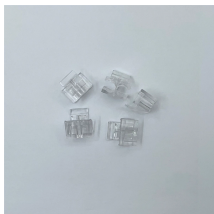

The connector is intended for use with 1mm plastic optical fiber (POF) with a 2.2mm jacket. It is designed for applications requiring a greater retention force — 80 Newtons ( 18 lb.) — than provided ...

Compatible with Anhuago fiber connectors 4501 and 4531 for seamless connectivity. Constructed from materials for enhanced durability and long-lasting performance.

The connector is intended for use with 1mm plastic optical fiber (POF) with a ...

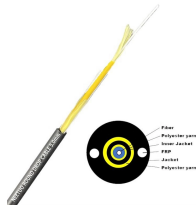

HFBR-4513 is a Fiber Optic Connectors optimized for high-speed and low-voltage operations. It provides excellent performance for fiber optic networking applications.

The HFBR-4513Z is a blue Simplex Latching Connector with crimp ring, designed for rugged applications requiring a greater retention force 80N (18lbs) than provided by a simplex non-latching ...

Avago Versatile Link latching simplex connector for use with industry standard 1.0 mm core plastic optical fiber with a 2.2 mm outside-diameter jacket.

POF Connector And Adapter for HFBR family (HFBR 4501/4503/4506/4511/4513/4516/4531/4532/4533 )

HFBR-4513Z - Fiber Optic Plug Connector Simplex 1000µm Blue from Broadcom Limited. View datasheets, pricing and availability from DigiKey now!

Technical Attributes General Information Brand HITRONIC® Product type Fibre optic connector Scope of delivery 50 connectors Weight 0.001 kg Delivery Unit 50.000 Assembly type crimp Fibre optic ...

The connector is intended for use with 1mm plastic optical fiber (POF) with a 2.2mm jacket. It is designed for applications requiring a greater retention force — 80 Newtons ( 18 lb.) — than provided ...

The HFBR-4513Z is a blue Simplex Latching Connector with crimp ring, designed for rugged applications requiring a greater retention ...

L-com's FOC-4513PFS22BL plastic optical fiber connector features a simplex latching mechanism, with a blue connector body. The connector is designed to be compatible with Versatile Link transmitters ...
