Explore fusion splicers compatible with single-
mode, multi-mode, and specialty fibers. Get
machines with rapid splicing and integrated
diagnostic tools.

The automatic intelligent fusion splicer kits
featured here come with everything you need to
perform fusion splicing, including cleavers, fiber
strippers, and other essential accessories.
Whether you are ...

Leviton's FASTSPLICE Fusion Splice-On Fiber
Connectors provide uncompromised optical and
environmental performance in field installable LC,
SC and ST connector types.

Specialized Products offers fusion splicers, fiber
splice sleeves and fiber cable splicing accessories
required for all your fiber optic splicing needs.
