## Fireproof electrical distribution box cover plate

ABB offers an innovative enclosure system for fire prevention, which is constructed of fireproof materials, features optimum technology and is available in a variety of economical designs.

Choose from our selection of electrical box blanks, including filler plates for circuit breaker boxes, outlet boxes and enclosures, and more. Same and Next Day Delivery.

Our temporary electrical covers are recyclable and made in the USA from transparent PVC material that is water-resistant, puncture-resistant, and flame-retardant.

Firestop cover plate gaskets are similar to the intumescent box inserts, pre-cut to match the shape of an electrical box cover plate, and are designed to be positioned behind the faceplate of the electrical box.
