

Ghana s division of A and B ends

Overview

Modern historians believe that the Kingdom of Ghana (also called Kumbi or Wagadu), the first of the three major Sudanic kingdoms of West Africa, emerged around the year 300 CE and lasted until it was conquered by the Islamic Almoravids in the year 1076 CE. The area of the Republic of Ghana (the then Gold Coast) became known in Europe and Arabia as the Ghana Empire after the title of its Emperor, the Ghana. Geographically, the ancient Ghana Empire was approximately 500 miles (800 km) north and west of the modern state of Ghana, and controlled. At the end of the western route arose the great Mande states, notably the empires of Ghana and Mali, while around the more easterly termini developed Songhai, the Hausa states, and Bornu.
