

Industrial Control Plastic Fiber Optic Patch Cord

Industrial Control Plastic Fiber Optic Patch Cord

HFBR4503, HFBR4513 connectors provide excellent retention force combined with easy snap-in action. Plastic fiber cable delivers high bandwidth and a tight bend radius when compared to traditional ...

Manufacturing Standard and Custom fiber optics for Industrial, Medical, Commercial, Military and Machine Vision applications since 1977. Get details and quotes on POF fiber optic patch cords, ...

The Broadcom HFBR-4503Z and HFBR-4513Z are high-quality plastic optical fiber (POF) patch cords designed for reliable data transmission in industrial, automotive, and networking environments.

Durable plastic optical fiber (POF) patch cord designed for industrial control, sensors, and short-distance data communication. Simple, flexible, and EMI-free.

FS offers custom industrial fiber patch cables in any length, fiber count with LC/SC/ST/FC/MTP®/IP67/ODC/YZC connectors, ideal for industrial environments.

Whether used in industrial control systems, local office networks, or residential multimedia systems, the plastic optical fiber cable provides secure, high-speed connectivity without the fragility or complexity ...

Industrial Fiber Optics manufactures a complete line of fiber optic cable assemblies with Versatile Link (VL) connectors and industry-standard 1.0 mm plastic optical fiber (POF) cable.

Find your fiber optics patch cable easily amongst the 52 products from the leading brands (HUBER+SUHNER, Ocean Insight, METZ CONNECT, ...) on DirectIndustry, the industry specialist ...

IP Rating: IP67 Fiber use G657A1 or G651 Including industrial connector dust cap Meet IEC60874, IEC 61754, IEC 60529:2001-02 and IEC60793-2 IP67 Water immersion and dust protection for hash ...

1 mm / 2.2 mm simplex plastic (polymer) optic fiber - POF custom length cable assembly is with HFBR4501-4511z non latching connections. Useful for data communication in any industrial / ...
