

## Malta Modular Data Center IP68

## Malta Modular Data Center IP68

Built to Tier III specifications, the Melita Primary Data Centre in Madliena is the only purpose-built facility in Malta. It covers a total fully-fenced footprint of 10,000m<sup>2</sup>, making it the island's largest facility.

By adopting a modular approach we ensure that regardless of whether you choose full CONTEG deployment or just one part of our system, the flexibility and quality remains constant.
