

Outdoor 10-channel distribution box

Outdoor 10-channel distribution box

The DFW series outdoor waterproof cable distribution box is a compact, European-style enclosure for safe and stable power distribution in medium-voltage power networks.

The European-Style Cable Branch Box is a specialized solution for 10kV cable-based power distribution systems, offering fully insulated, sealed, and shielded construction for enhanced safety and reliability.

Available in multiple channel configurations—4, 6, 8, 10, and 12 channels—with options for staggered or wide-spaced jacks, the boxes support interface types such as M8 and M12.

Designed for underground or outdoor distribution systems, the Cable Distribution Box offers a tamper-resistant and weatherproof solution for medium voltage control and protection. Our Cable Distribution ...

Weatherproof outdoor cable distribution boxes with IP65 rating, arc-proof design, and flexible terminations for safe, reliable power distribution up to 10kV.

Discover how J& HW Group's outdoor power distribution boxes deliver safe, weatherproof, and customizable solutions for modern industrial and commercial needs.
