

Price of 155MBS Fiber Optic Communication Equipment

Price of 155MBS Fiber Optic Communication Equipment

The BWN-FE-B45LS SFP Module delivers cost-effective long-distance connectivity through innovative bidirectional technology, enabling 155Mbps transmission over a single fiber strand up to 80/120km.

They support a data transmission rate of up to 155 Mbps and various transmission ...

They support a data transmission rate of up to 155 Mbps and various transmission distances. With their hot-pluggable functionality, they can be easily replaced without affecting the network operation.

Data rate of OC3/Fast Ethernet modules is 155Mbps. Transceivers operate on ...

Extend your Fast Ethernet network up to 20km with the 155M BiDi SFP Transceiver. Utilizing 1310nm/1550nm WDM technology over a single fiber strand, this MSA-compliant module is ideal for ...

Data rate of OC3/Fast Ethernet modules is 155Mbps. Transceivers operate on 62.5/125um multi-mode fibers and 9/125um single-mode fibers on distances up to 120Km. There are also 100Base-BX single ...

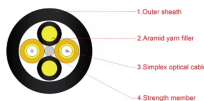

Mouser offers inventory, pricing, & datasheets for 155 Mb/s Ethernet SFP Fiber Optic Transmitters, Receivers, Transceivers.

Buy StarTech 155 Mbps 1310nm Multi Mode LC SFP Fiber Optic Transceiver w/ DDM - 2km with fast shipping and top-rated customer service. Once you know, you Newegg!

Buy 155Mbps Fiber Optic Transceiver Modules. Newark offers fast quotes, same day shipping, fast delivery, wide inventory, datasheets & technical support.

155 Mbps fiber media converters & SFP transceivers available for Fast Ethernet, ATM, or SONET applications. All in stock.

At present, our products are widely used in "network data communication field, security monitoring field, data storage field, industrial power communication field" and so on. We always adhere to the ...

The OPT155-3120xxCR series is the high-performance and cost-effective single-mode 1×9 optical transceiver for serial optical communication applications. They are suitable for 100Base-LX Fast ...
