

# **Retail QSFP optical module 10G**

## Retail QSFP optical module 10G

Discover how to buy optical transceiver modules online with confidence. Expert insights on 10G, 40G, 100G modules, fiber compatibility, and vendor selection to optimize your network.

This is the 10G SFP+ product showcase channel, Walsun offers an extensive range of compatible 1~100G optical transceiver modules to fit your requirement. Our 1G~100G modules comes in SFP28, ...

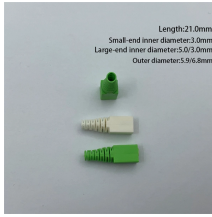

Get cost-effective 10G SFP+ transceivers at QSFPTEK online store for data center and campus 10GbE connectivity. QT SFP+ include 10GBASE-SR/LR/ER/ZR, from 30m to 80km.

General Description: This 10Gigabit XFP BiDi transceiver is designed to transmit and receive optical data over single mode optical fiber for link length 20km.

The official store for QSFPTEK. We provide compatible optical modules with online shopping function.

Learn QSFP technical specs for 10G to 100G links: key parameters, compatibility checks, and troubleshooting pitfalls to validate PMF-ready deployments.

The QSFP-4X10G-LR-S QSFP+ Optical Transceiver Module is designed for use in 40GBASE Ethernet throughput up to 10km over single mode fiber (SMF) using a wavelength of 1310nm via a MTP/MPO ...

FS 10GbE SFP+ module solutions provide a wide variety of 10 Gigabit Ethernet connectivity options for data centers, enterprise wiring closets, Internet Service Providers (ISPs) applications.

The QSFP+ module adopts 12 Fibers MTP/MPO Male connectors, reaching a link up to 150m over OM4 MMF (100m over OM3). This transceiver is compliant with IEEE 802.3 40GBASE-SR4 and breakout ...

Built-in Macom Chip, the QSFP+ 40G transceiver offers high-speed, and low-power in 40G links. Equipped with individually designed COB packaging. Every unit is quality tested for compatibility in ...
