

Turkmenistan Incremental Distribution Box Manufacturer

Overview

It is a new type of prefabricated substation developed for the special usage requirements of wind power generation, featuring strong integration, easy installation, short construction period, low operating costs, high structural strength, and strong corrosion resistance. Yashyl Dunya Company was established in 2012 with the aim to provide industrial equipment, technologies and services for the customers in Turkmenistan. We offer solutions for oil and gas, chemical, energy, municipal, cement, and food industries. The company specializes in importing fast-moving consumer goods (FMCG), household products, and personal hygiene items. We have a highly experienced team, well-loaded manufacturing unit and a lot more to match up the ever-evolving needs of our customers. Moreover, our focus on "Lotta Distribution" is an experienced and flexible company, which has been one of the leaders in the distribution business in the Turkmen market for over 13 years. We love our business - we do it.
