

Two-optical-24 electrical switch

Two-optical-24 electrical switch

10 / 100 / 1000Mbps adaptive fast Ethernet optical fiber transceiver (also known as photoelectric medium converter), with built-in 2-port 10m / 100 / 1000Mbps adaptive switch, can convert 24 independent ...

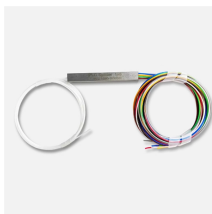

Hikvision 24 Port Gigabit Smart Managed Industrial POE Switch DS-3T1528HP-SI-24P4F

In addition to high-quality optical communication products, our customers also receive a comprehensive line of services, including customized design, installation, training, lifetime maintenance service, and ...

S5860-24XB-U is FS-developed next-generation L3 multi-gigabit hybrid optical/electrical switch. This switch features 24x 100M/1000M/2.5G/5G/10GBase-T and 4x 1/10G SFP+ with 4x 10G/25G SFP28 ...

Fully managed 24-port web-smart Gigabit 300W PoE+ network switch with dual SFP slots in a 1U rack-mount/desktop unit. Ideal for monitoring and controlling a LAN in a small-to-medium distributed network.

In order to meet the different requirements of industrial applications, this series adopts a modular design, up to 2 Gigabit optical fiber ports and 4 Gigabit Ethernet electrical ports, which enhances the ...

The CloudEngine S5732-H Series Hybrid Optical-Electrical Switch is a new generation of 10 GE access switch, featuring 24 optical and 24 electrical downlink ports plus four 25 GE uplink ports and either ...

The OVPOE24-370-2GC PoE switch provides power for regular IP cameras, and IP PTZ cameras, as well as other data and infrastructure. 10/100Gbps speeds ensure high definition video quality.

FWPS2024H is a 100M network managed PoE switch, which can meet the PoE power supply requirements of WIFI AP, IP camera, WIFI bridge, IP phone and other types of equipment.

High backplane bandwidth, two-story full wire-speed packet forwarding rate of exchange; can detect when the optical signal is lost for the end of the fiber optic equipment down or nowhere, ...
