

Uganda lightning protection distribution box manufacturer

Overview

Aplicaciones Tecnológicas Lightning & Earthing (AT3W) is a specialised manufacturer and technical advisory consultant for “Lightning Protection and Earthing Systems”. JAECO ELECTRICALS UGANDA LIMITED provides top-quality electrical engineering solutions tailored to meet the needs of residential, commercial, and industrial clients. Our expert team ensures safety, efficiency, and excellence in every project we undertake. We specialize in the design, installation. We manufacture complete power distribution systems, which consist of standard 'off the shelf' products from national manufacturers, or can be custom-designed and fabricated by our in-house engineering team. With 40 years of experience and a global reach of 80+ countries, AT3W can handle your projects technically and commercially to full. Founded in 1992, Elektrex has developed into one of Uganda's leading electrical suppliers and contractors.
