

Vietnam Explosion-proof Plug Distribution Box

Vietnam Explosion-proof Plug Distribution Box

These explosion proof junction boxes / terminal boxes, plugs, sockets & connectors are for use in explosive atmospheres in compliance with the ATEX 94/9/EC Directive and IEC.

The box is designed to contain and isolate any sparks, arcs, or heat generated by electrical equipment within it, preventing them from igniting the surrounding explosive atmosphere.

New Quang Minh Company Limited is a supplier of explosion proof junction box. Please contact us for more information about explosion proof junction box, trading and explosion proof junction box quote.

Warom specializes in manufacturing explosion-proof electrical equipment, with products covering explosion-proof lighting fixtures, explosion-proof distribution boxes, explosion-proof control ...
