

Where can I find explosion-proof electrical distribution boxes in South Africa

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. We supply explosion protected equipment and assemblies to the petrochemical, oil & gas, and related industry. We at EXB Electric represent Eaton Industries, incorporating Ceag GmbH, world. Robust design, precision manufacture and full certification of Flameproof enclosures. Multiple ex-stock FLP Enclosures or bespoke solutions available. Our explosion protection solutions are suitable for Zones 1 and 2 in gas areas and 21 and 22 in dust areas, and for protection types Ex e, Ex tb, Ex i, Ex p and Ex nR. ISE junction boxes as standard. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades.
